# 10 YEARS OF INTELLIGENT READING

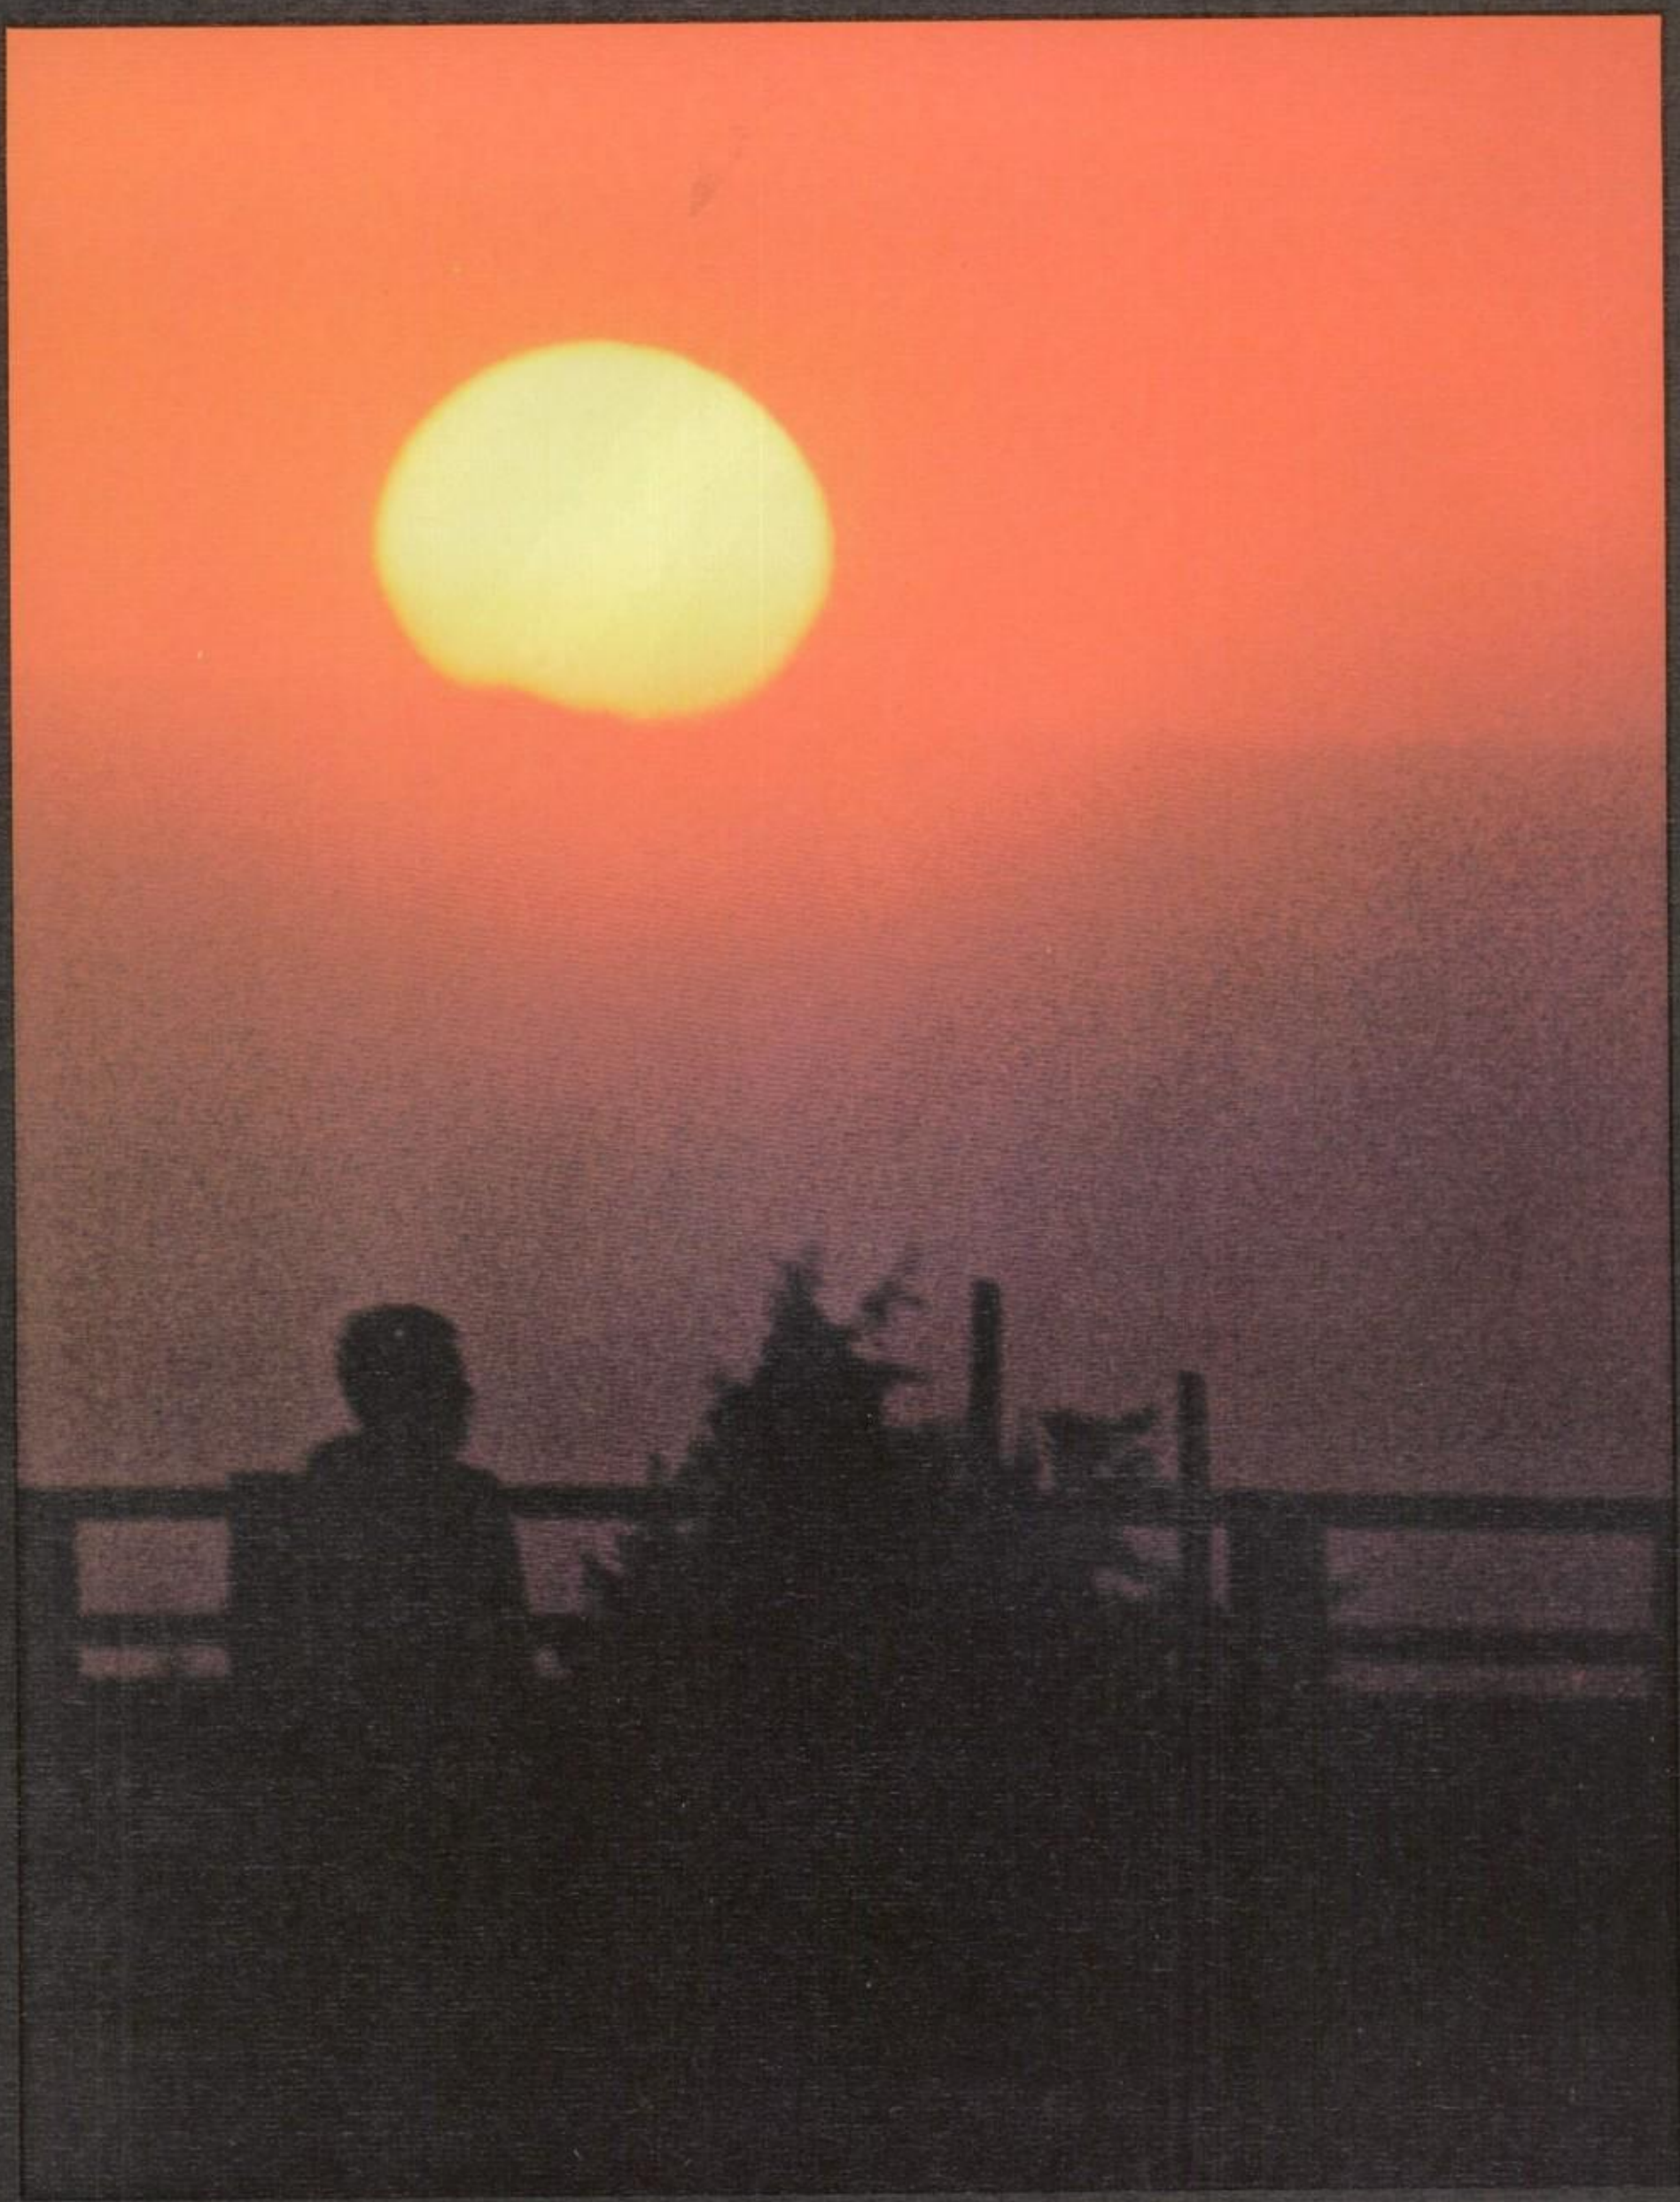
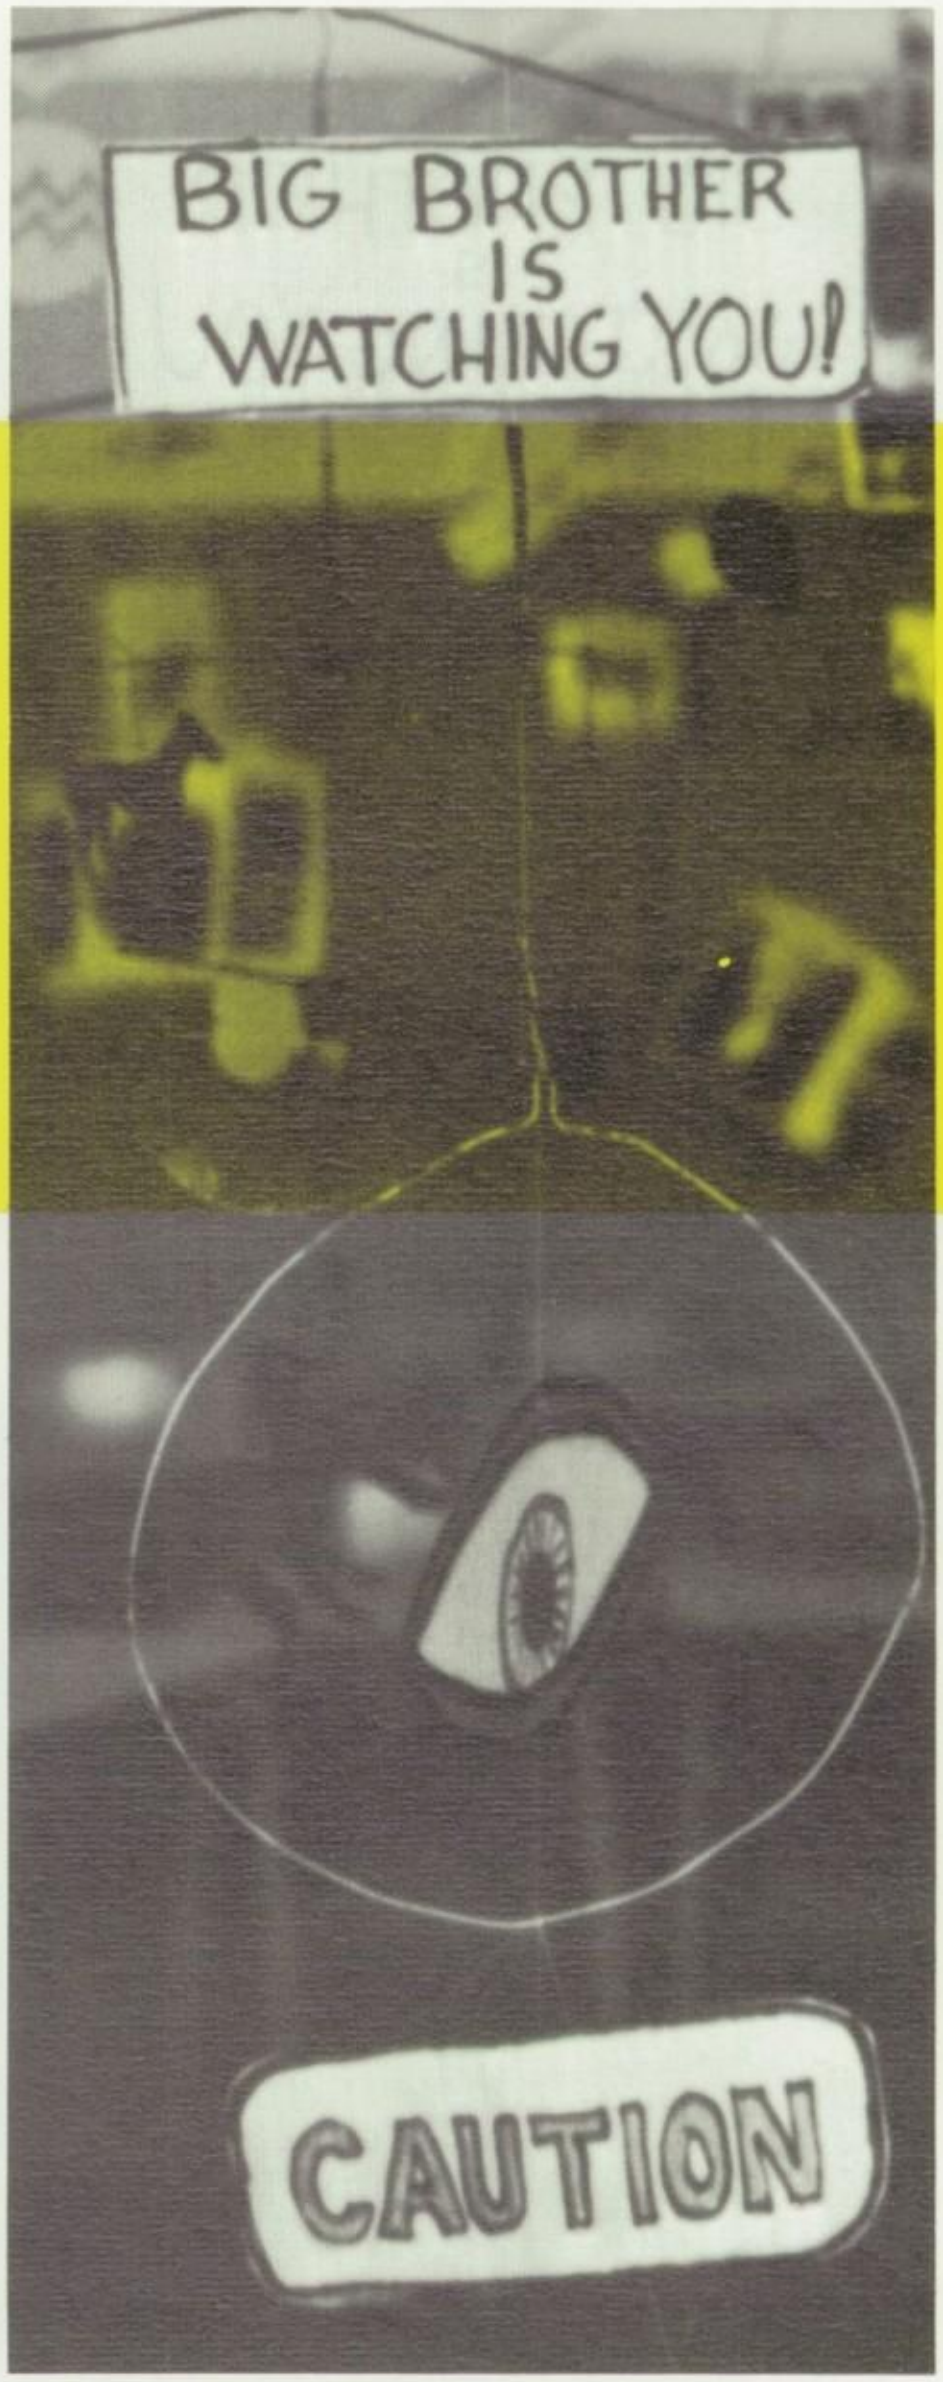
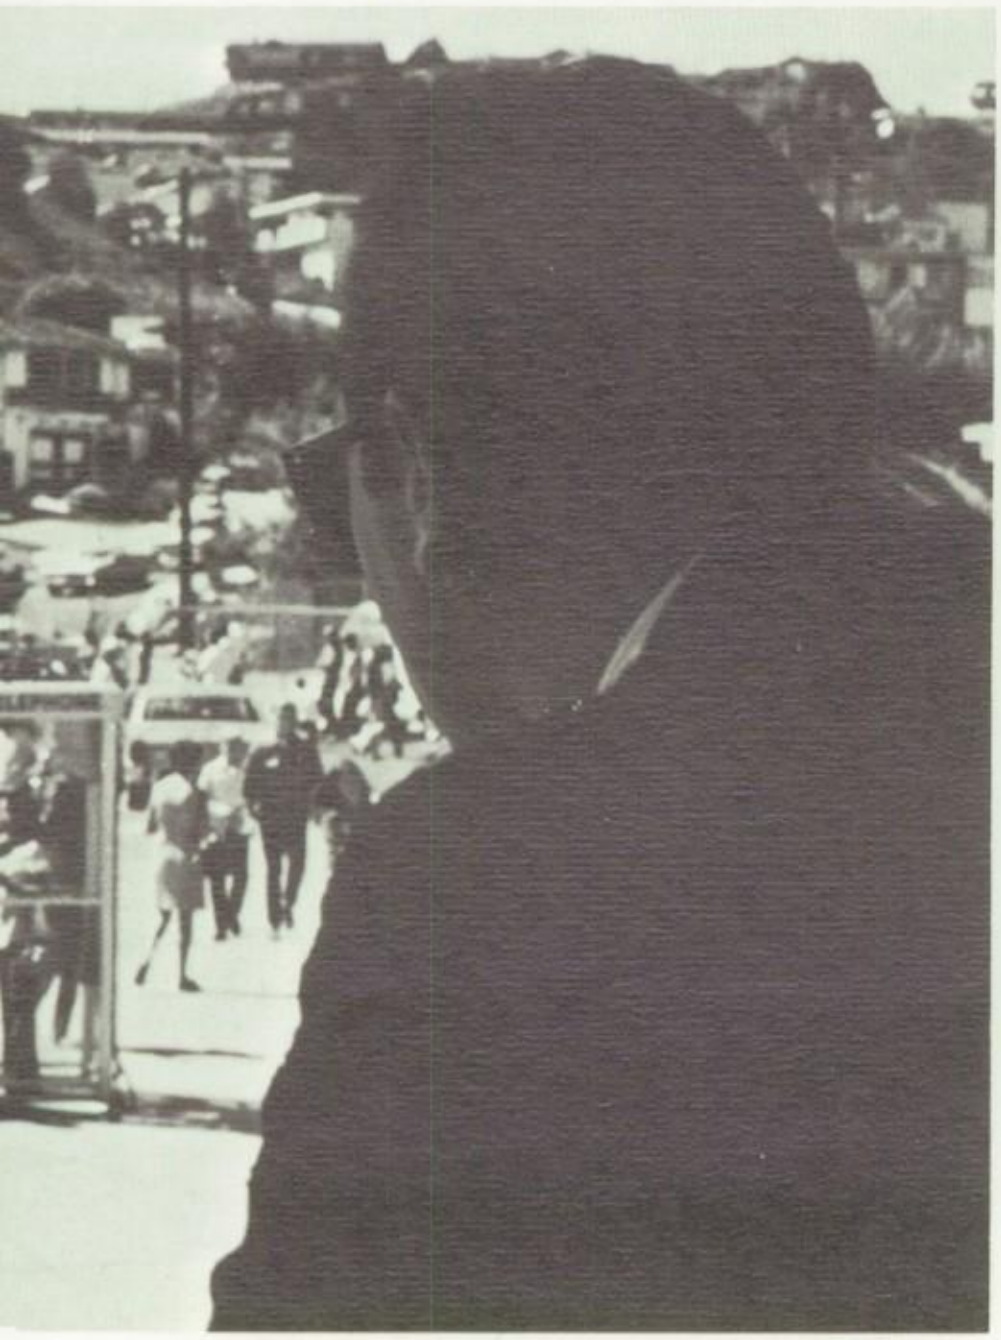
san carlos high school
nineteen seventy one

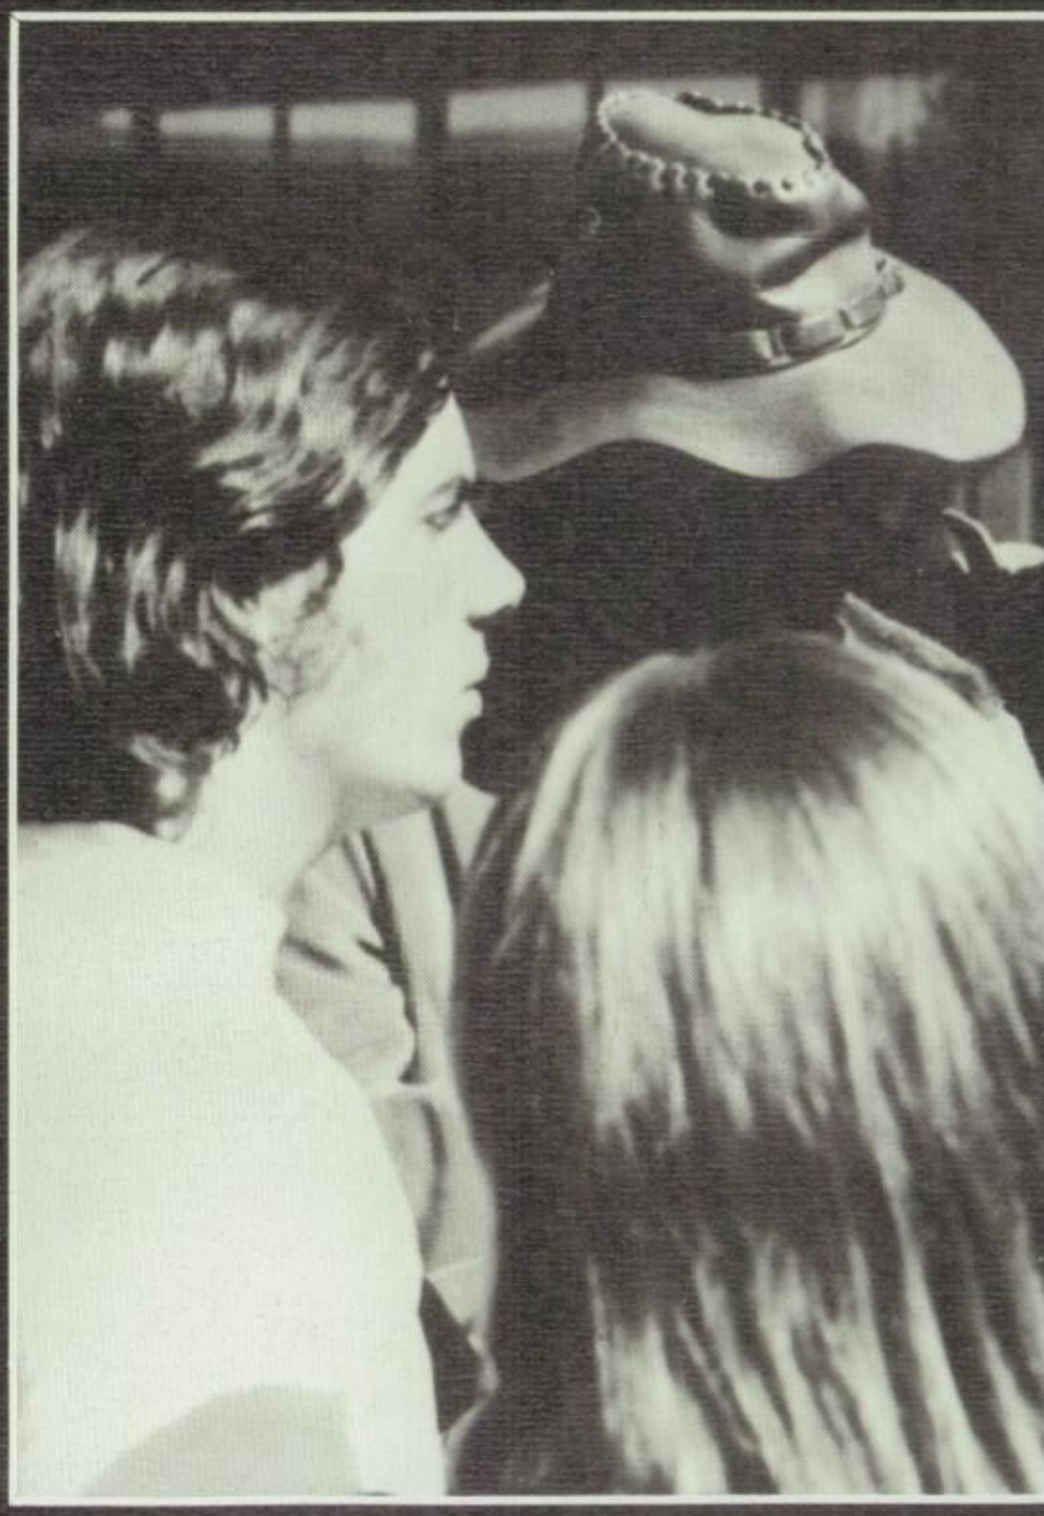


Round like a circle in a spiral, like a wheel
within a wheel
Never ending or beginning on an ever spinning
reel
Like a clock whose hands are sweeping past
the minutes of it's face
And the world is like an apple whirling
silently in space
Like the circles that you find in The
Windmills of Your Mind
Keys that jungle in your pocket, words that
jangle in your head
Why did summer go so quickly was it some-
thing that you said?
Lovers walk along a shore and leave their
footprints in the sand
Is the sound of distant drumming just the
fingers of your hand?
Pictures hanging in a hallway and the
fragment of a song
Half remembered names and faces, but to
whom do they belong?
When you knew that it was over you were
suddenly aware
That the autumn leaves were turning to the
color of her hair
Mind! Like a tunnel that you follow to a
tunnel of its own
Down a hollow to a cavern where the sun
has never shone.
Like a door that keeps revolving in a half
forgotten dream
Or the ripples from a pebble someone tosses
in a stream
When you knew that it was over in the autumn
of good-byes
For a moment you could not recall the color
of his eyes
Like a circle in a spiral like a wheel
within a wheel
Never ending or beginning on an ever spinning
reel
As the images unwing like the circles that
you find
In the Windmills of Your Mind

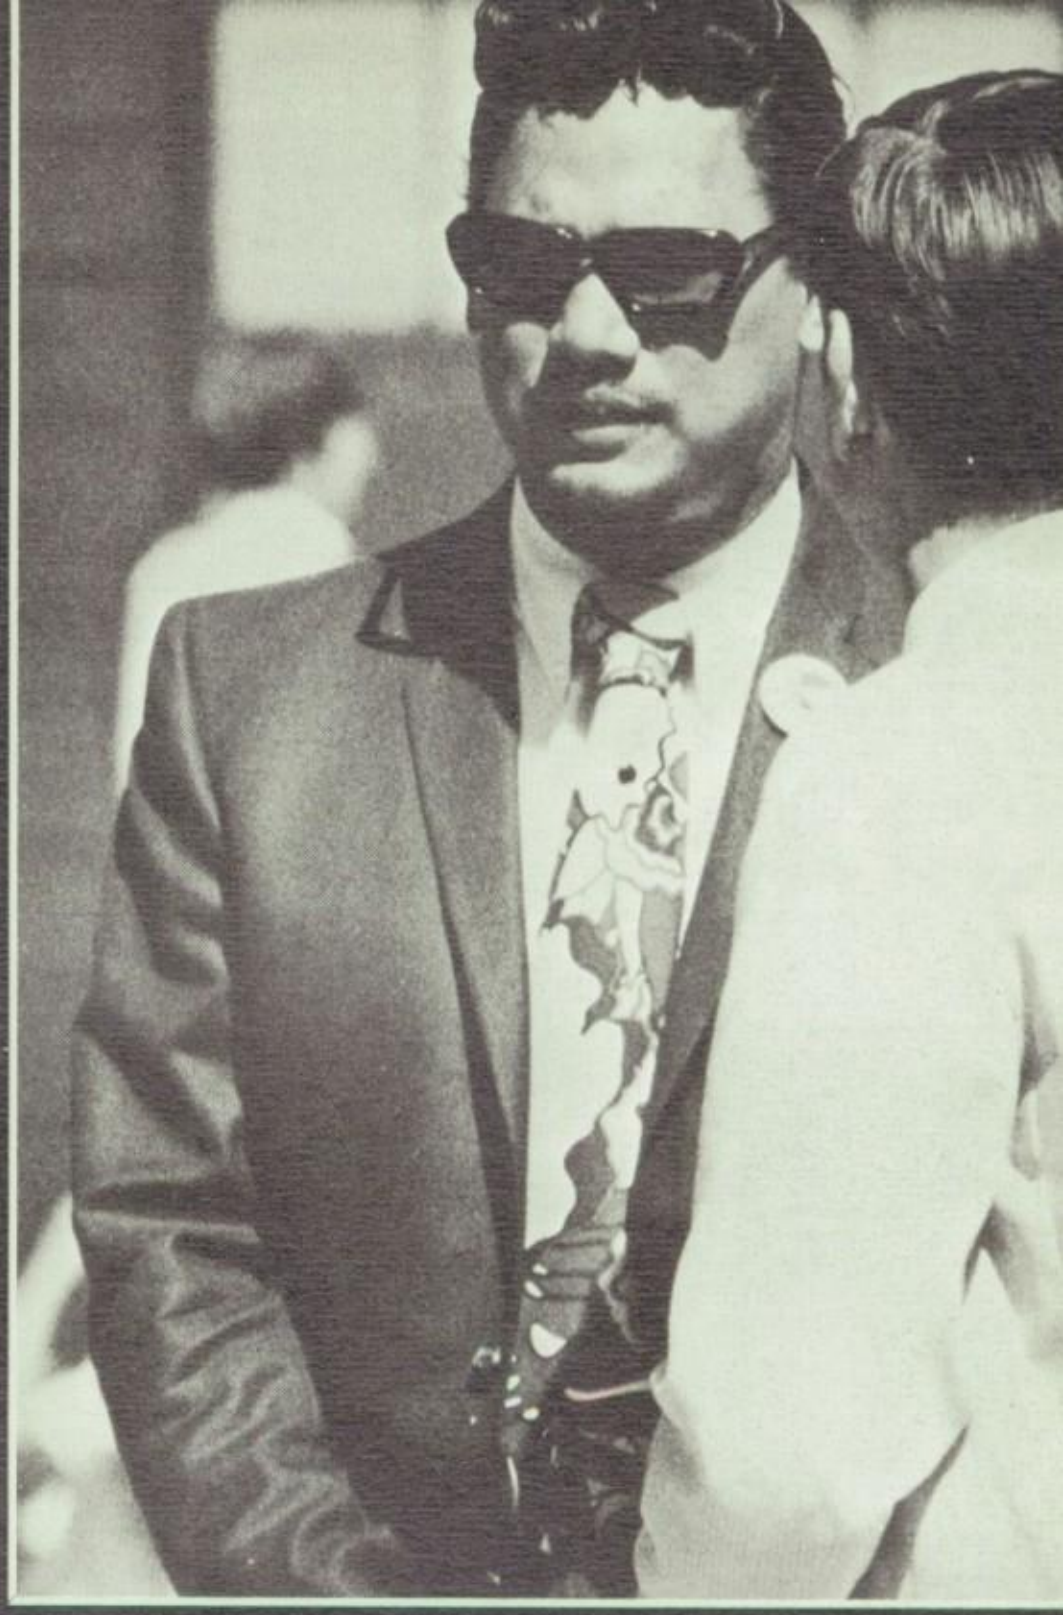


BIG BROTHER
IS
WATCHING YOU!
CAUTION





Can't stand it no more, the people dying
Crying for help for so many years,
But nobody hears.



Can't stand it no more, the people hating
Hurting their brothers, they don't understand.
They can't understand.
